

7 WAYS REVENUEWELL CAN HELP YOU GROW YOUR PRACTICE

Increase Revenue

Fill your schedule with high production cases and educate patients on your elective services

Increase Patient Traffic

Keep patients coming through the door with automated reactivation and recall campaigns

Minimize Empty Chair Time

Fill last minute openings and confirm 100% of appointments with text, email, postcards, and calls

Increase Treatment Plan Acceptance

Follow up on treatment plans with messages that reinforce your recommendations and provide financing options

Increase Patient Retention

Stay connected with patients through personalized birthday and holiday greetings, social media, and newsletters

Promote New Technologies

Let patients know about your investment in state-of-the-art technology, such as 3-D or same-day restorations

Help Patients Maximize Insurance

Set up campaigns that read insurance codes and ensure patients use expiring insurance
