

A-dec® Choices
Which solution is right for you?

Choices

a dec®

There's an A-dec for everyone.

A-dec offers creative, reliable solutions for practices of every size and specialty. Including yours. No matter which dental chair and delivery system you choose, you'll have peace of mind, knowing that they're designed to work the way you do—and to work without fail. Engineered with legendary quality and reliability, A-dec equipment is tested for 20 years of life, and backed with superior service and support. So you can practice with confidence.

A-dec 500

Premier comfort, performance, and connectivity

Bring intelligent simplicity and infallible peace of mind to your operatory, and superior comfort to your patients.

A-dec 500 Chair

- Exquisitely smooth and quiet, cradles patients with whole body support
- Impressive range of motion, including our lowest base-down position
- Ultra-thin backrest flexes to create ample legroom under the chair
- Ergonomically designed for optimal access and healthy, natural posture

A-dec 500 Pro Delivery

- Six adjustable control head positions for customisable placement
- DS7 touchscreen offers a simple, dynamic interface for intuitive, connected control
- Multi-user settings can be individually programmed and personalised
- Enabled with A-dec+ software, to easily add more services and features as technology evolves

A-dec 400

Contemporary luxury with proven reliability

Sleek design, patient comfort, and uninhibited dental team access—all combined with reliable performance.

A-dec 400 Chair

- Distinctive contemporary style with contoured patient comfort
- Smooth, efficient positioning, plus 30° rotation on each side of center
- Ultra-thin backrest flexes to create ample legroom under the chair
- Ergonomically designed for excellent access and healthy, natural posture

Delivery Options

- Pairs with A-dec 300 Pro delivery
- Choose from Continental® or Traditional deliveries
- Radius® option rotates easily around the chair to support both left- and right-handed dentistry

A-dec 300

A small footprint with full-size performance

Accessible, flexible, and evolved to bring you rich feature sets and the option of digital connectivity.

A-dec 300 Chair

- Compact design fits a variety of operatory spaces, with minimal maintenance
- Contoured, pressure-mapped surfaces support patients in comfort
- Ultra-thin backrest flexes to create ample legroom under the chair
- Ergonomically designed for excellent access and healthy, natural posture

A-dec 300 Pro Delivery

- Open platform design is easy to configure, customise, and upgrade in the future
- Pivoting control head reduces hand strain and fatigue
- Intuitive, responsive user interface shows just what you need to know in the moment
- Add the optional A-dec+ Gateway to access the A-dec+ software platform
